- A subject and a verb makes a simple sentence.
- Sometimes you have to think 'what would we say in English?' when you are translating from French.
- Most French grammar is the same as in English.
- **-er** verbs are the most common verbs in French.
- They are called **-er** verbs because they end in -er.
- To make the **je** form of an -er verb, take off the -er ending and add 'e'.

NB You are NOT just taking off the 'r'!
