

EYFS Summer 1-Healthy Bodies

This half term children will be learning about what they need to keep their bodies healthy including, hygiene, exercise and healthy eating. We will be learning especially about oral health and how we can keep our teeth and gums healthy. This half term we will also be celebrating Eid and the King's coronation.

Literacy

Reading/Phonics

Children will continue to read books matched to their phonics knowledge in small groups three times a week, as well as developing their reading for pleasure both at school and at home. In phonics children will consolidate the GPC's they have learnt previously and move onto phase 4 of the Little Wandle programme. Children will also learn to read words with root words ending in -ing, -ed, ed, and -est.

Talk for Writing

This half term our talk for writing books are Eat Your Greens Goldilocks, Give us a Smile Cinderella, Nonfiction Bodies.

Writing in Provision

Children will be using the skills and knowledge they have been taught to work towards writing independently phonetically plausible sentences.

Story Time

Cotton Wool Colin, Sleepy Bumblebee, Non Fiction Look Inside Your Body

Maths

This half term children will be consolidating their subitising arrangement knowledge, including those which expose '1 more' or 'doubles' patterns. Children will use their subitising skills to enable them to identify when patterns show the same number but in a different arrangement, or when patterns are similar but have a different number within 10. Children will also continue to develop verbal counting to 20 and beyond, including starting from different numbers.

Key Questions

- How can we keep our teeth and gums healthy?
- What do we mean by healthy eating?
- What other ways can we keep our body healthy?

Communication and Language

Children will be developing their vocabulary related to keeping our bodies healthy and the importance of moderation. Children will be encouraged to use this vocabulary in the context of their independent learning. We will be reading a mixture of non-fiction, fiction, poems and rhymes linked to our theme.

Personal, Social and Emotional Development

Children will be setting themselves personal goals and becoming more responsible for knowing what they need to do next to improve. They will continue to share texts that explore different types of

emotions. Children will learn about how important it is to be healthy through good hygiene and personal care and how important it is to look after their own bodies and minds. We will look at some short hit sessions.

Physical Development

This half term children will continue to develop their fine motor skills through daily funky fingers activities and consolidate both lowercase and uppercase letter formation in a daily handwriting practise. Children will be refining their fine motor skills through self-selecting tools such as woodwork, sewing, clay and painting.

Friday will continue to be our taught P.E.

lesson. This half term children will be learning basketball skills.

Understanding of the World

Children will learn about:

- What distinguishes a fruit from a vegetable.
- Which fruits and vegetables are grown locally.
- The life cycle of a strawberry plant.
- Planting strawberries, peas and spinach.
- Fruits and vegetables from different parts of the world.
- Sports from different parts of the world.
- Sports and games/physical exercise that children did in the past, especially the Victorian era.
- Comparing hand and foot size.
- How is Eid celebrated?

Expressive Arts and Design

Children will:

- Learn about the artist Giuseppe Archimoldo.
- Explore making fruit and vegetables faces and printing.
- Using a variety of tools including woodwork and sewing needles.
- Designing and making a healthy snack for Eid.
- Smaller paint brushes, pencils and pens will be provided for more detailed art.
