

Caring for the World

In this unit of work the children will find out more about special places and consider how we appreciate the world around us, and how we can look after it.

They will be hearing some of the creation stories from the different faiths.

In this unit children will:

- Explore creation stories from different faiths
- Consider in what ways the world is a special place
- Investigate how different faiths say our world should be cared for
- Describe their own special place
- Discover what 'precious' means and say what is precious to them
